

Design Release	Bid Package Number	Bid Package Name	Description
1	31A	Site Work and Underground Utilities	Site clearing and grubbing, earthwork, site utilities including water service, sanitary drainage including grinders and oil / grease interceptors, storm drainage and detention ponds, site concrete retaining wall
2	03A	Concrete – Footings and Foundations	Pile caps, footings, grade beams, remove all spoils from site.
	31B	Caissons	Install all caissons and removal of spoils from site.
3	03B	Concrete - Structure	Structural concrete framing, shafts, elevated structural slabs, slab on metal deck, slab on metal grade, interior back fill, topping slabs, slab on grade and polished concrete.
	05A	Structural Steel	Structural steel framing, metal decking and pour stop.
4A	03C	Exterior Precast Enclosure	Exterior precast concrete panels.
	21A	Fire Protection	Fire protection wet systems, dry systems, piping, heads, valves, pumps in accordance with the contract drawings and specifications
	22A	Plumbing Work	Plumbing fixtures and equipment, piping, valves and fittings, plumbing fixtures, pumps, compressed air, fuel-oil, natural gas and water heaters.
	23A	HVAC, Mechanical & BAS	HVAC systems including all ductwork, mechanical piping, valves, insulation, cooling towers, boilers, chillers, pumps, air handling units, kitchen ventilation, fans, fin tube radiation, louvers, VAV boxes, variable speed drives, building automation systems, testing and balance.
	26A	Electrical	Electrical system including all lighting (interior & exterior) raceways (including conduit and back boxes for security system and communications), switchgear, emergency generator, primary underground service, lighting control, transformers, lightning protection, devices, UPS, ATS.
	27A	Communications and Fire Alarm	Nurse Call, antenna TV system, communications horizontal and backbone cabling, complete fire alarm system.
	04A	Masonry	All concrete masonry work including reinforcing steel and grouting and other related work

4B	07A	Roofing & Siding	Roofing and flashing work, roofing accessories, siding, metal panels, sheet waterproofing, aluminum canopy,
	08A	Glass and Glazing	Exterior curtainwall and punched windows, associated metal panel work and interior glazing, skylights
	10A	General Trades	Non-detention doors/frames/hardware, overhead doors, display cases, visual display units, signage, toilet partitions, cubical curtains, folding panel partitions, wall and door protection, toilet accessories, fire extinguishers, lockers, rapid entry lock box, athletic padding, roller shades, p lam casework, solid surface, metal buildings complete including foundations, radiation protection, laundry equipment, elevators
	12A	Detention Equipment & Security Electronics	Security access doors, detention doors/frames/hardware, detention windows, security glazing, wire mesh partitions, detention toilet accessories, gun lockers, package transfers, inmate property packaging, fixed beam seating, detention and institutional furniture, all security electronics, including cameras, cabling and alarms and processing equipment
	13A	Steel Cells (tbd)	Fabrication and delivery of pre-purchased steel cells
4C	05B	Miscellaneous Steel	Rails, metal pan stairs, metal grating stairs, mezzanine framing, miscellaneous metals, roof fall protection,
	09A	Acoustical and Drywall Work	Drywall partitions, drywall ceilings and acoustical ceilings, spray fireproofing, fire stopping, insulation, blocking, sheathing, weather barriers, radiation protection, preformed joint seals, expansion joints.
	09B	Flooring	resilient flooring and base, ceramic wall and floor tile, carpeting, access flooring, entrance floor mats,
	09C	Painting & Epoxy Flooring	painting of all interior and exterior surfaces, epoxy and slip resistant floor coatings, resinous flooring, staining and transparent finishing, high performance coatings
	11A	Food Service Equipment	Provide all food service equipment including walk in coolers, shelving, carts, racks, trays, insulated containers, waste equipment, mixers, peelers, food processor, slicers, dishwasher, dryers, dish machine, sinks, disposers, ovens, fryer, kettles, braising pan, steamer, hoods and fans, ansul, hot & cold food holding, refrigerators, ice machine, hose reel, raceways.
	32A	Hardscapes & Landscaping	final grading and topsoil respread, permeable pavers base and underdrains, landscaping, plantings, site furnishings, flagpoles, fencing, parking lot surfaces, sidewalks, bollards and roadways
